LWG responses to EPA draft final BERA comments 18 September 2012.pdf

Hi Burt. The BERA comment responses were approved this morning and are attached. I left you a voice mail because I'm hoping you can come over to Windward this week so we can informally walk through these and I can answer clarifying questions. I understand that you're out of the office through tomorrow so I'm hoping that we can get together Thursday or Friday.

I've also left Chip a voice-mail telling him that these were coming, that I left you a message asking you to come over, and that it would be great if he wants to call and listen in if and when we get together.

John
